

Agri-Seed Co – *DUMA 41, DUMA 43, SIMBA 61*

DUMA43 hybrid performing well in a FIPS-Africa demo in Kirinyaga district

FIPS-Africa co-operates with Agri-Seed to promote Seed Co's *DUMA 41, DUMA 43, and SIMBA 61* hybrid maize varieties. *DUMA 41* and *DUMA 43* are early-maturing varieties which are suitable for the mid- to low-altitudes. *SIMBA 61* is an intermediate-maturing variety suitable for the mid- to high-altitudes.

Agri-Seed provides FIPS-Africa with small 150g packets of seed for its demonstrations and promotions.
